*Celebrating 50 glorious years
of
excellence in Education*

GOLDEN JUBILEE CELEBRATIONS

Half a Century of Shaping Minds, Touching Hearts and Transforming Lives.

As we step into a new year, Ankur School is poised to celebrate a monumental milestone – its 50th anniversary, marking five decades of excellence in education. This Golden Jubilee year is a testament to the school's unwavering commitment to nurturing young minds and fostering a community of learners.

Established with a vision to provide quality education, Ankur School has grown from strength to strength, evolving into a premier institution that has shaped the lives of countless students. Over the years, the school has remained dedicated to its mission of imparting knowledge, values and skills, empowering students to become responsible citizens and leaders of tomorrow.

Throughout this milestone year, Ankur School will host a series of events, activities and celebrations that will commemorate its rich history, achievements, and contributions to the community.

Let's come together to celebrate 50 years of learning, growing and achieving.

GENESIS

The journey of Ankur School began in the late 1950s, when a small but dedicated group of the spouses of the Panjab University (PU) faculty came together with a vision to uplift the educational standards of the children of university employees, particularly those belonging to the working-class families. This informal group, later known as the Students' Aid Society, embarked on a mission to provide quality education to the children of labourers and class IV employees of the University. Their efforts began with raising modest monthly donations, sometimes as little as a rupee or even a few paise, to fund this noble cause.

The idea of establishing a formal educational institution on the university campus was an aspiration cherished by the residents of the University. After several discussions, the Society took the bold step to turn this vision into reality, with a focus on providing early childhood education. The result was the establishment of **Ankur Nursery School**.

In 1973, the foundation stone for the school was laid by **Smt. Parkashwati Pathak**, wife of the then Vice-President of India and Chancellor of Panjab University, on **February 25th**. The school building was completed in 1976 and its inauguration took place in March of the same year, with **Mrs. Sangamma Jatti**, wife of the Vice-President of India and Chancellor of Panjab University, presiding over the ceremony.

From its humble beginnings, Ankur Nursery School gradually flourished into one of the most reputed institutions in Chandigarh. With dedication and hard work from the Management, Principals, teachers, and staff, the school expanded its curriculum and facilities over the years. What began as a small nursery school eventually grew into a full-fledged educational institution.

In the years that followed, Ankur School was upgraded to a **Primary, Middle, and Senior Secondary School**, offering a comprehensive education in all three streams: **Science, Commerce and Humanities**.

The school reached significant milestones with the **first batch of Class X students** graduating in 2013 and the **first batch of Senior Secondary students** passing out in 2019, marking a new chapter in the institution's legacy.

Today, Ankur School stands as a symbol of dedication, commitment, and excellence in education, continuing its mission of empowering children from all walks of life and providing them with the foundation to achieve success and contribute meaningfully to society.

The goals of Ankur School are-

1. To initiate or undertake any scheme for the welfare of the students.
2. To collect funds through donations, subscriptions, film shows in the university campus, dramas and organizing fetes etc, for providing aid to needy students.
3. To foster a spirit of social service amongst the members a number of welfare schemes were introduced to ensure quality education in the school.

Celebrating 50 glorious years of excellence in Education

Ankur School was conceived with a mission of helping the children to fulfill their dreams of becoming a complete individual from every aspect, expand their knowledge & fill their lives with love. Ever since its inception, Ankur School has been helping the poor children of the junior employees on the campus and surrounding sectors. It is a non profit and self-sustaining institution.

Travelling a long journey of 50 years, it has earned a name and present status due to the dedication and commitment of Principals and teachers working in the school, under the guidance of all the Presidents and Managing Committee members as follows:

Mrs. Mohini Suraj Bhan	01.07.1965–30.06.1974

Celebrating 50 glorious years of excellence in Education

PRESIDENT'S MESSAGE

Ankur School is an institution which provides quality education with modern teaching techniques but with traditional roots attached to it.

Our belief is that all children should have the opportunity to experience the joy of learning in such a way that they grasp all the basic concepts in the most efficient manner. To do so, learners must learn to gain knowledge. Rote learnt information is largely stored in the short-term memory and is quickly forgotten. We believe in learning by doing. If we can inculcate learning in a playful manner, it will help the child to come out with his/her unique ability and grow with confidence. At Ankur School, we hope to create an atmosphere of reverence for education and a healthy environment where studies, sports and co-curricular activities will mould our students and spur them to be the brightest and the best.

Ankur School has proved that it can keep pace with the constantly changing world without compromising on its rich cultural legacy. I congratulate the Principal, staff, students and their parents for bringing laurels to the school in the past and hope they will continue making their sincere efforts jointly in achieving excellence in every field, particularly in academics and the co-curricular activities.

Mr. Sandeep Vig

President

Ankur School Management Committee

FROM THE PRINCIPAL'S DESK

At Ankur School, we strive to foster a culture of academic excellence, creativity, and independent thinking. Our mission is to empower learners with knowledge, values, and skills necessary for a rapidly changing world. Set amidst natural splendor, our campus provides a perfect environment for holistic development. We aim to nurture well-rounded personalities, rooted in Indian culture and traditions, while embracing innovation and technological progress. Our dedicated teachers, empowered with the latest developments in education, facilitate a supportive and non-threatening learning environment. We emphasize community outreach, sustainable life skills, and sound mental health. Together, let's create an ideal learning environment where learners thrive, and stakeholders contribute to the flowering of this organization.

DIGITALISED LIBRARY

The school takes immense pride in having a well-stocked and spacious e-library, featuring a vast collection of books, including reference materials, storybooks, and self-learning resources. These books are carefully selected to help students cultivate their reading habits and expand their knowledge beyond the confines of classroom textbooks. The library serves as a dynamic learning centre, offering students the opportunity to explore and learn at their own pace. Every week, students are encouraged to borrow books to foster their love for reading.

Additionally, in the library club, students engage in activities such as bookbinding and creating cover pages, further enhancing their creativity. The students are encouraged to read the books available in the library and then share their views during book symposium. It inculcates their reading habit, improves their vocabulary, enhances their confidence in public speaking and eradicates their stage fear.

A dedicated reference room is available for senior students, equipped with the latest technology and software, allowing them to deepen their research and broaden their understanding. Libraries are more than just collections of books—they are gateways to knowledge, sparking imagination, and inspiring exploration. They empower individuals to achieve their goals and contribute to enhancing the quality of life for all.

HOUSE SYSTEM

To foster a spirit of healthy competition and teamwork, our student body is divided into four vibrant Houses based on exotic flowers: Aster, Daffodil, Orchid and Tulip. Each House is guided by a dedicated teacher-in-charge.

Inter-House Competitions

Throughout the year, our students engage in a variety of curricular and extra-curricular competitions, promoting camaraderie, creativity, and excellence. Winners receive prizes and certificates during our annual Prize Distribution ceremony.

Awards and Recognitions

Best House Trophy: Awarded to the House with the highest overall performance in academics, co-curricular activities, and sports.

Best March Past Trophy: Presented to the House demonstrating exceptional teamwork and spirit during the Annual Sports Day.

This system encourages our students to strive for excellence, develop leadership skills, and build lasting bonds with their peers.

THE SCHOOL COUNCIL

Investiture Ceremony

Each year, we hold an Investiture Ceremony to inaugurate a new student council. This esteemed group is elected based on merit, considering factors such as:

Academic performance | Punctuality and discipline
Sports and co-curricular achievements | Leadership qualities
Positive attitude towards teachers and peers

Council Members

Our student council comprises:

Head Boy and Head Girl | Deputy Head Boy and Deputy Head Girl
House Captains and Vice Captains | Discipline Incharges
Literary Heads | Prefects of all four Houses

Responsibilities

The student council plays a vital role in:

Maintaining discipline and order | Organizing school events and functions |
Promoting teamwork and leadership | Fostering a positive school culture. By
empowering our students with leadership roles, we nurture their confidence,
communication skills, and sense of responsibility.

DAY CARE 'NILAYA'

The School provides fully air conditioned creché facility for the working parents. It has caring and understanding support staff working under the guidance of the Principal, Ankur School. Separate bed rooms and washrooms for boys and girls, neat and fully furnished kitchen, big central hall with dining and reading facility are the highlights of the creché. The ambience here is quite homely. We feel proud to say that we have happy children here. The creché also has the facility of different time slots for the working parents.

Celebrating 50 glorious years of excellence in Education

PRE-PRIMARY WING

Main aim of the pre-primary wing of Ankur School is to nurture children with utmost love and care in their formative years. Teaching is imparted in a child-friendly manner which is truly suitable for the little buds who then grow to full-bloomed flowers. Emphasis is laid on building up emotionally strong children with imbibition of teaching values, discipline and good manners along with academics by our very highly motivated and pedagogically trained mother teachers. Play way method of teaching is followed. Music, painting, physical education, personality development, public speaking, dance, music, yoga are the areas that stimulate the mind and the body of the children.

PRIMARY WING

The school understands that the cheerfulness and happiness in the child comes as a result of the security and confidence through their teachers. Therefore each child is treated here as a special individual. The affection and attention bestowed by the teacher encourages the child to trust the teacher and motivates him / her to come happily to the school every day.

ANKUR SCHOOL HOLDS DRUG AWARENESS DAY

CHANDIGARH: An awareness program on combating drug abuse took place at Ankur School on Monday. The program targeted students from class 6 to 12.

The program was organized by the school management committee, with Principal Aruna Dhillon as the chief guest. She emphasized the importance of raising environmental awareness among students and teachers.

The program included a presentation by the school management committee, a quiz competition, and a group discussion. The students were encouraged to share their views on drug abuse and its effects.

The program was a success, and the students showed a keen interest in the topic. The school management committee is planning to organize such programs regularly to create awareness among students.
